

BEFORE your child goes to kindergarten, help them to love books!

Remember that books can be for: listening to, reading or looking at!

Before your child goes to Kindergarten you can help your child to become familiar with books in all of these ways!

 *Visits to the library are a great way to teach your child about the different kinds of books and the different ways they can learn using books.*

 *Look for Picture Books by these Authors and Illustrators:*

*Virginia Lee Burton
John Burningham
Beatrix Potter
Vera Williams*

Picture books give children the opportunity to be creative and make up their own story. Picture books give children a chance to practice reading by using the pictures in the book as clues.

Pictures help children to understand the parts of a story!
